

Interested in becoming a Boy Scout? Sudbury Troop 60 would like to invite all 5th graders in town to our New Member Recruitment Overnight at Nobscot Scout Reservation. Even if you have never participated in scouting before, don't let that stop you from finding out more about what scouting is all about. You will learn scout skills, play fun and exciting games, eat great food, and more! We hope you can join us for activities and dinner on Friday night, camping in the Haynes Lodge, and breakfast on Saturday morning. The event is free for all boys and parents/chaperones. Reminder: all prospective scouts must be accompanied by a parent/chaperone.

[Email me](#) to let us know you are coming, or if you have any questions. I will send you a permission slip and packing list.
